From the Grill...

If you are looking to celebrate that special occasion and would like a one-of-a-kind meal, look no further! For the last 2 years Members John and Donna Kutch have allowed to me to make their anniversary dinner. This years dinner began with shitake and trumpet mushrooms sautéed in white wine and butter with crostini bread. A delicious salad with grilled asparagus, strawberries and balsamic vinaigrette, followed by the main course, organic wild salmon with miso and mustard aolis and vegetable hash. The final course, which the Kutches have enjoyed two years in a row, napoleon of fudge brownie, vanilla ice cream and strawberries. Absolutely delicious! So the next time you wish you could have that dinner from your favorite vacation spot or want to celebrate that special day with a one-of-a-kind meal, we can do it. Give me a call or an email along with a couple days notice to book your own personalized menu.
